-  +91 7200352022
-  Jaipur, India

Product Analytics and Data Science leader with **11+ years of experience** driving business growth, product innovation, and risk strategy across **Google, PayPal, and Oportun**. Delivered **multimillion-dollar impact** through analytics, experimentation, and data-driven product development. I also **leverage AI** and emerging technologies to **independently build products** that simplify complex decision-making and create measurable user value.

 SKILLS

- Product Analytics
 - Fraud & Risk Analytics
 - KPI Framework Design
- Data Science
 - Credit Risk Strategy
 - SQL
- Product Strategy
 - AI Strategy
 - Python
- Experimentation
 - Executive Stakeholder Management

 AI & PRODUCT INITIATIVES

- REVKIN** , Founder & Product Builder
- **Conceived and launched** a motorcycle riding platform on the Google Play Store using AI-assisted development workflows.
 - Managed **end-to-end product development** including requirements, UX design, feature prioritization, testing, analytics, and release management.
- Stock Picker** , Investment Research and Decision Making Platform
- Built an AI-assisted **equity research platform** covering Indian and US markets to combat information overload and **improve investment decision quality**.
 - Created structured research workflows, investment checklists, and historical decision tracking to **improve consistency and auditability**.
 - Consolidated financial, qualitative, and research inputs into a focused **decision-support system** for long-term stock analysis.

 PROFESSIONAL EXPERIENCE

- Senior Manager, Product Analytics and Data Science**, Oportun Financials Oct 2024 – Present | Remote
- **Boosted** user goal completion **100%+** (30%→65%) by launching a new predictive savings algorithm.
 - **Launched** a new feature generating a projected **\$4M in incremental weekly funds**.
 - **Slashed** manual reporting **by 80%** by building an automated portfolio analytics framework.
 - **Established** the Product Analytics function, creating data frameworks that now **drive product strategy**.
- Scaled Abuse Specialist**, Google Jun 2022 – Oct 2024 | Hyderabad, India
- **Managed** 500+ global vendor agents, **lifting productivity by 15%** and quality scores from **93% to over 96%**.
 - **Cut** critical case review time by **65%** (12 to <4 hours) by architecting a new lead prioritization framework.
 - **Boosted** spam identification accuracy **to over 97%** by optimizing internal abuse detection pipelines.
- Senior Credit Fraud Analyst**, PayPal Sep 2017 – Jun 2022 | Chennai, India
- Previous roles : Senior Analyst (Jun 2019 – Aug 2020), Risk Analyst II (Sep 2017 – Jun 2019)*
- **Shaped** launch strategy for **\$20M+ revenue products** using predictive financial models.
 - **Delivered ~\$4M in annual savings** by managing credit fraud risk portfolios.
 - **Improved** operational forecast accuracy **to over 95%** by building and automating new models.
 - **Cut** manual workload **by over 40%** by automating fraud monitoring and KPI tracking workflows.
- Supply Chain Analyst**, Myntra Designs Sep 2016 – Sep 2017 | Bengaluru, India
- As the **sole analyst** for the supply chain team, I delivered over **₹50 lakh (~\$60,000) in monthly savings** by architecting a custom billing audit system and drove a **12% reduction in 3PL costs**, an **18% improvement in SLA compliance**, and a **7-point lift in NPS** using real-time performance dashboards. My insights were presented directly to the **VP of Supply Chain** to influence vendor negotiations and overall logistics strategy.
- Data Analyst**, LatentView Analytics May 2015 – Aug 2016 | Chennai, India
- Boosted marketing conversions **5-7%** and cut analysis time **45%** for a Fortune 500 client through customer segmentation and workflow automation.

 EDUCATION

- IIM Ahmedabad**, PG Diploma: Advanced Business Analytics (Rank 2/84) 2023 – 2025
- VIT Vellore**, B.Tech: Electronics and Instrumentation (CGPA 8.97/10) 2011 – 2015

 AWARDS

- **Oportun**: Two Performance Appreciation Letters for leadership in optimizing risk strategies.
- **Google**: Three Spot Awards for enhancing abuse detection pipelines and delivering actionable insights.
- **PayPal**: Awarded Spot Bonus and selected for the "Good to Great" Program for emerging leaders.
- **IIM Ahmedabad**: Letter of Appreciation from Program Committee for contributions as Academic Representative.
- **VIT University**: Awarded Merit Scholarships for three consecutive years for academic excellence.
